2. These courses are used to determine major GPA, see Graduation Requirements. ~~Students~~ ~~must meet~~ admission requirements and be officially admitted into the BSIMS program. Please contact the Admissions Coordinator, CHEHS at (479) 738-4738 for admission requirements and the application process.
3. Student must be admitted into an imaging science program.
4. Credit for coursework in other imaging science programs will be held in escrow. Student will receive credit upon successful completion of the program.
5. Science courses taken more than five years prior to program application may not be eligible. ~~Submit~~ ~~for more information~~ and to request a science course evaluation.

A grade of C or better is required in ALL courses applicable to this program.

Prior to graduation students must demonstrate competency in financial literacy by satisfactory completion of FIN 1521 Personal Finance Applications (or an approved substitution) with a grade of C or better, or by a score of 70% or more on a challenge exam for FIN 1521.

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students are required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
